Lulu's, Gulf Shores

Highlands Bar & Grill, Birmingham

Alabama restaurant owners who champion local food sources include Frank Stitt, honored by the James Beard Awards in 2009 as one of the nation's five best chefs, and Lucy Buffett, whose "Lulu's" features brother Jimmy's "Cheeseburger in Paradise." Stitt's Highlands Bar & Grill and Bottega are nestled in Birmingham's historic Five Points South. Lulu's overlooks the Intercoastal Waterway in Gulf Shores. Discover your personal favorites in this updated edition of Alabama's most interesting places to eat.

● Silver spoons identify Alabama's longest-running restaurants. The year in which they opened is shown in silver.
